Welcome!

to our 2016-17 catalog

Inside you will find thousands of products for your salon or spa at low prices and most items are in stock and ready to ship!

For over 20 years, **Boss Beauty Supply** has been one of the country's largest suppliers of towels and apparel to the beauty industry. In 2015, we acquired **Cameo Beauty Supply**, a company that has serviced the beauty industry for over 65 years. Combining the experience and expertise of the 2 companies has allowed us to offer significantly more items along with lower prices. We don't play games with our prices; we just offer the lowest prices possible without having to buy any minimum or large quantities of an item. In addition, we offer free shipping on orders over \$149.99.

Our experienced sales staff takes great pride in making sure your ordering experience is easy and reliable. Also, we have redesigned our web site during 2016 to improve your internet buying experience. Visit www.bosssupply.com and see for yourself. If you don't see something you need, just ask and we will do everything we can to help you find the item and get it for you. We are not some big impersonal company, we are family owned and operated and we have the flexibility to assist you in any way we can.

Towels, Towels, Towels!

We feature the largest in-stock selection of towel sizes and colors in the industry. Whatever your needs and budget, we have the right towel for you.

Apparel

Inside you will find the largest selection of apparel in the industry. Betty Dain, Cricket, Fromm, Beauty Love, Olivia Garden are just some of the companies represented in this catalog. If you are looking for a particular item in a specific color, we probably have it in stock, ready to ship.

Our Philosophy

When you buy from Boss Beauty Supply, you have my promise that you can always rely on:

- Quality Products
- Huge Inventory
- Quick Shipping
- Experienced, Knowledgeable and Courteous Staff
- Money Back/Satisfaction Guarantee

I personally stand behind each sale and look forward to doing business with you.

TERMS & CONDITIONS

Guarantee

Boss Beauty Supply has been in business since 1994 and we guarantee everything we sell. If any item is not to your satisfaction, simply return defective or unused product within 30 days for a full credit, refund or replacement. Shipping charges are not refundable.

Shipping Charges

When you order from Boss Beauty Supply you have no hidden costs. We offer free shipping on all orders over \$149.99 (net of any discounts) within the Continental U.S. Freight charges on orders less than this amount are determined by weight to your location. Orders are shipped via UPS or USPS. Free shipping does not apply to furniture, store fixtures, janitorial supplies and personalized items. If you purchase items in these categories online, our website will not show the shipping charges. We will contact you with the shipping cost prior to charging your credit card for the additional shipping costs. Free shipping only applies to shipments to the contiguous 48 United States and is subject to adjustment due to returns, cancellations, and exchanges. We reserve the right to refuse any order. All orders are subject to a \$2.49 handling fee. In the event an order is refused, the customer is responsible for all shipping charges and any additional fees assessed by the carrier. A UPS surcharge is added for any residential delivery address as determined by UPS.

Price Policy

Boss Beauty Supply offers the most competitive prices in the industry. In addition to our low prices, we offer special unadvertised sales on many items each week. Just ask your sales representative for the "specials of the week". We also offer "web only" specials so please supply us with your email address so you can receive these attractive special offers. Although we make every effort to maintain prices, we reserve the right to change prices and correct catalog errors.

Return Policy

If any item purchased from Boss Beauty Supply is not to your satisfaction, just return it to us within 30 days of purchase. All returns, except manufacturer defects, must be unused with original packaging and in resalable condition. Used or washed merchandise is not returnable. To return any item, just call your sales representative for a return authorization number. Returns without an authorization number will not be accepted. Please be sure to place the authorization number clearly on the outside of the package. Upon receipt of your return we will issue a credit on your account unless otherwise requested. Certain items are subject to a 20% restocking charge. Any item returned without original packaging will be charged a 20% re-pack charge. No credit will be issued for shipping costs on return merchandise except due to our error or manufacturer's defects.

Quick Shipping

Because we maintain one of the largest inventories in the industry, most orders are shipped within 24 hours. Special order items can take up to 2 to 3 weeks.

Backorders

Although every effort is made to ship each order complete, occasionally we find it necessary to backorder an item so you can receive the balance of your order as quickly as possible. When a backorder occurs, the backordered item will be shipped to you as soon as it is received by us and shipped to you at no additional charge. We absorb any additional freight charges for the backordered items.

Special Order Items

We are constantly adding new items to our extensive inventory. If you do not see an item in our catalog or website that you are looking for, please ask your sales representative about the availability. If we do not have the item you are looking for in stock, we can special order most items for you. Please be aware that special ordered items may take up to 3 weeks to receive and cannot be returned. All special order items must be paid for in full at the time of your order. All personalized items must be paid for in full at the time of the order.

Damage/Shortage

We must be notified within 3 days after receipt of your order of any damaged or missing merchandise. No claims will be honored after that time. Customer is responsible to examine each box and its contents upon receipt. Any box that appears to be damaged or opened should be refused at the time of delivery and returned to us by the delivering carrier. In the event the order is delivered by truck, shortage or damage must be noted on the delivery bill of lading at the time of delivery. Hidden damage must be reported to us within 24 hours after receipt. It is the customer's responsibility to open and inspect each box immediately upon receipt. Please keep all boxes and packing materials if any damage is found.

Method of Payment

We accept Visa, MasterCard, American Express, Diners Club, and Discover cards. In addition, we also accept PayPal. If you don't choose to use any of these payment methods, we will accept personal checks in advance of shipment. We will wait for the check to clear our bank (approximately 4-5 days) before shipping. Return checks are subject to a \$35 return check fee.

Towels

Boss Beauty Supply is one of the largest suppliers of towels in the industry and we offer the largest selection in the country. Although we make every effort to ensure color consistency, due to the nature of color dying, color shades may vary slightly from shipment to shipment. Washed and used towels cannot be returned, except for manufacturer's defect.

Please note that prices are subject to change without notice. We are not responsible for typographical or printing errors.
